Seals Division

Complete range of high quality hydraulic seals, oil seals, power steering seals, mechanical seals available. Our hydraulic seals division also has a CNC seal maker machine for customized production of seals and o-rings as per sample or drawings.

Automotive & Industrial Bearings

All kinds of automotive bearings including wheel, gear box, ac alternator, clutch, cross bearings etc. for light and heavy vehicles. Complete range of industrial bearings available. Special bearings are available on forward order basis.

Hose Crimping & Sales

Full-fledged hose crimping workshop for hydraulic, thermoplastic, industrial, power steering, radiator and AC hoses. All kinds of hydraulic and industrial hoses, fittings & adaptors available.

Automotive & Industrial Belts

Complete Range of belts including A, B, C, AX, BX, CX, SPA, SPB, SPC, SPZ, XPA, XPZ, AVX, FM, FMX, timing belts and much more.

Hand Tools & Power Tools

High quality hand tools ranging from spanners, ratchets, pliers, wrenches, chisels etc. We also stock complete range of power tools.

Nuts, Bolts & Washers

Complete range of hexagonal and Alan key bolts (MS & GI) in various grades. Full range of nuts and washers also available.

Industrial Couplings & Flanges

Complete range of Camlock, Storz (cement), Chicago, Victaulic, Aluminum, Bauer, Miller couplings and much more. We also have a wide range of forged, cast steel, SS and brass flanges in various ratings (PN10, PN16, PN25, CL150, CL300, 5K, 10 K)

Valves & Accessories

Full range of Gate valves, butterfly valves and ball valves in SS, CI and Brass. We also stock Ystrainers, non return valves and pipe clamps for various applications

GI, MI, Brass, SS and MS Fittings

All sizes of GI, MI, Brass, SS & MS fittings from reputed brands available in stock.

Hose Nipple & Hose connector

Complete range of king nipples and hose menders are available in GI, SS, Brass and PVC.

Clips, Clamps & Circlips

Full range of jubilee clips, hose clips, single bolt, double bolt & and four bolt clamps. Internal and external circlips also available.

Chrome Rod, Honed Tubes, Nylon & Teflon Rods

Complete range of chrome rods and honed tubes in all sizes available for hydraulic cylinder fabrication. We also stock nylon and Teflon rods.

Hydraulic Pumps, Motors, Spare Parts and Valves

We stock a range of pumps /motors for concrete mixers & pumps , earth moving equipment, cranes and industries from reputed brands such as SAUER DANFOSS, REXROTH, EATON VICKERS, KAWASAKI,CASAPPA, BREVINI etc. Complete range of hydraulic pump/motor spare parts also available.

We can also provide equivalent pumps/motors based on assessment by our engineers to reduce downtime of your machinery or equipment.

We also stock a wide range of hydraulic valves such as solenoid direction control valves, needle valves, ball valves etc. All types of pressure gauges also available

Water Pumps

High quality water pumps made in Japan from brands such as KOSHIN & HONDA available in 2" and 3" sizes for both gasoline and diesel fuels.

Pneumatic Equipment & Accessories

Complete range of pneumatic solenoid valves, FRL units, pneumatic push lock connections, pneumatic pipes in PU & Nylon and various other accessories such as valves and gauges for air.

Lube Equipments

Air operated grease & oil pumps, grease & oil hose reels, grease guns, oil guns, electronic flow meter, grease nipple, couplers and much more for all your lubrication requirements.

Rubber Sheets, Gasket Paper & Oils

All sizes of rubber sheets and gasket paper available in the best quality. We also supply full range of hydraulic, power steering, brake, diesel oils etc.

Tipping Cylinders and Hydraulic Wet Kits for Trailers

Doha Hydraulic Trading is the authorized dealer and service point for the Italian brand, BINOTTO tipping cylinders and wet kits. BINOTTO is a market leader for quality products in the tipping segment incorporating the latest technology at the best prices. Doha Hydraulic Trading also has a service division for all hydraulic system repair and overhauling.
